The kids will take part in a “Warm-Up” exercise session at the beginning of the class followed by numerous golf skills exercises to improve weight-shift, alignment, posture, and swing!

Each week will focus on a different area of the game and the group will participate in a weekly contest for a prize. All participants of the *Hershey Links* Junior Program qualify to play golf at Spring Creek Golf Course, part of the *Hershey Golf Collection*, for \$5 per 9 holes!
